Pierce County Sheriff's detectives need your help to locate a missing man. Daniel O'Leary has been missing since February of 2017 under suspicious circumstances.

O'Leary was last seen by his wife on the night of Saturday February 11th, 2017. O'Leary left their apartment in the Parkland area following an argument, and has not been seen or heard from since. Since his disappearance O'Leary has had no contact with his wife or daughter; he has not shown up or called in to work. There has been no activity on his cell phone or bank account.

O'Leary's blue 2014 Ford Focus was found two days later abandoned on the side of the road in the 10500 block of 5th Ave. E. in Tacoma. The car was unlocked, the keys were found on the ground nearby, and the car appeared to be in normal condition.

At the time he went missing Daniel Michael O'Leary was described as a white male, 5'8", 155 lbs., with brown hair and blue eyes. He had several tattoos including "Britney" on his right hand and "Alecia" on his left forearm.

Detectives are looking for any information regarding his disappearance.
